July 4th Bristol, VA [Clear Creek Golf Club]

Grandson's Tribute

Pete's Story

Pete McCalman was diagnosed with Multiple Myeloma (blood cancer) in 2011 and died in 2016.

Pete and his grandson, Graham, shared a love of golf. In 2015, they fulfilled a shared dream by attending the British Open Championship in St. Andrews, Scotland.

Graham (age 13) is raising awareness of Myeloma and raising funds for a cure through this Golf-A-Thon in honor of his beloved grandfather.
